

# ABOUT US

## MISSION STATEMENT

We are among the most experienced forwarders in the trade, with a superb network of 140 associated offices worldwide. We are all well connected through a state of the art information technology to provide you with seamless services and on-time shipment status.

MW Logistics was incepted in 2002 to handle our major affiliate's; FedEx Trade Networks, customers and has now grown to handle in-bound and out bound ocean and air with the dedication to provide superior logistics services to these valued customers. Presently, we have two fully owned offices in Pakistan in Karachi & Lahore.

## OUR CORE VALUES

- Our strength is our team and our quality systems
- Ultimate Customer satisfaction
- High quality services with prompt customer feedback with timely follow ups
- Continuous improvement in quality of services
